

The CAN-BIND Program and MDAO presents:

Searching For A Test For Depression

Blood Tests, Brain Scans and Self-Screening

A FREE health talk in OTTAWA for patients, families, staff and community members

Wednesday, February 8, 2017, 6:30pm–8:30pm

**DISTINGUISHED
SPEAKER SERIES**

Dr. Pierre Blier, Professor of Psychiatry at University of Ottawa, will talk about a series of groundbreaking new studies aimed at shortening the time between depression diagnosis and getting the right treatment.

Claude Lurette, Recipient of 2009 Inspiration Award at The Royal in Ottawa, and Lived Experience Representative at CDRIN, will talk about his own personal journey of recovery and how it has shaped his present life and positive outlook.

Dr. Sanjay Rao, Associate Professor of Psychiatry at University of Ottawa, and **Dr. Sagar Parikh**, Professor of Psychiatry at both University of Toronto and University of Michigan, will co-chair the event and lead an interactive panel Q&A period with the speakers.

Sponsored by: The CAN-BIND Program, The Mood Disorders Association of Ontario, The Ontario Brain Institute, Canadian Depression Research and Intervention Network (CDRIN)

Location: Royal Ottawa Mental Health Center, Auditorium (Rm 1410), 1145 Carling Ave, Ottawa
